

# ACCESSING TUTOR.COM

If you are taking a course that uses [Moodle](#), you may already have access to tutor.com. If you see this link

in your course's Moodle section, you can access tutor.com by selecting the link. This is the preferred method to access tutor.com since it gives the tutors access to some of the learning material in the Moodle section.

If you do not see this link or your course does not Moodle, you can follow the self-enrollment instructions below.
